Program Design

Program Format:

Online: These classes are fully online with no campus requirement.

Timing for Courses:

Asynchronous: These classes are fully online the entire term with no set class meeting days/times. There are no days/times listed in the course schedule, and they have asynchronous instruction throughout the entirety of the term.

Other Considerations:

Students will enroll in a post-bac licensure only track to obtain licensure in Middle grades 6-8 (English, Math, SS, or Science track) OR Secondary 6-12 (English, Math, History, Biology, Chemistry, Spanish, OR Business). The Math 6-10 licensure area is also an option.
